Awards:

- WHO-EMRO- Research grant (RPPH) for proposal about neonatal septicemia in Yemen, Principal Investigator (PI), published 27 October 2021.
- Scholarship from the Japanese Government (Ministry of Education, Culture, Sports, Science, and Technology) (MEXT) to study in Graduate School of Medicine in Kyoto University (2010.04.01 to 2015.03.31).

• Scholarship from the Yemeni Ministry of Higher Education and Research to study Medicine in Shiraz University of Medical Science (1999.09.01 to 2007.01.17).

Conferences, Tutorials:

- The Middle Eastern and North African Breast Cancer Symposium, 6 CPD Credits, online October 21.2021.
- Workshop on evaluation of outcome of medical program, UST 9. 2021.
- Participation in the second medical workshop, breast cancer day 21 October 2021, NCCF, Sana'a.
- Advanced courses on Leading of Higher Education Institutes, UST (2016-2022):
 - Quality Assurance of Higher Education Institutes.
 - Regulation of The Higher Educational Institutes.
 - Human Resources Management of Higher Education Institutes.
 - Organizational Development of Higher Education Institutes.
 - Leadership Skills of Higher Education Institutes.
 - Recent issues on Leading of Higher Education Institutes.
- Teaching pathology, UST, 2016 up to now.
- Presentations at 1st,2nd, and 3rd medical forum at UST, 2017,2018,2019.
- Preparing and participating in 1st,2nd, and 3rd medical forum at UST, 2017,2018,2019.
- Workshop on Medical Education, UST (10 hours).
- Workshop on Supervision of Master and doctoral students at UST (9 hours).
- Workshop on E-Learning, UST (30 hours).
- SPSS tutorial (16 hours).
- Preparation of Monthly Scientific Conference (UST).

- Member of the weekly Liver Transplantation Pathology Conference in the department of Anatomical Pathology in Kyoto University Hospital from (2010.4 to 2015.12).
- Cytopathology tutorial, Lake Biwa, Shiga, Japan (Extensive course, two day a year; 2011- 2014).
- 100 The Japanese pathology conference, spring 2012.
- Presentation on Methodology of Medical Research (UST, June 2016)
- Presentation on the role of complement system in allograft rejection,
 Pathology and Pathophysiology Postgraduate Course, Kyoto University,
 2015.

Positions:

- Member of The Bachelor of Medicine Accreditation Committee, UST, head of standard number 5. UST.
- Member of the Yemeni Medical Association.
- Member of the Department of Medical Education, UST.
- Pathologist at AULAQI Medical LAB, Sana'a.
- Member of the Council of The Faculty of Medicine & Health Sciences, 2016 up to now UST.
- Member of the Job Interview Selection Committee for Academic and Non-Academic Posts, UST.
- Head of the Department of Basic Medical Sciences, Faculty of Medicine & Health Sciences, UST, 2016 up to know.
- Head of the department of pathology (UST 2016 up to know).
- Member of The Curriculum Development Committee (UST).
- Supervision of graduation projects of medical students.
- Organizer of the first, second and third medical forum at Faculty of Medicine, UST.

- Head of the Scientific Committee, Faculty of Medicine & Health Sciences, UST, 2016 up to now.
- Member of The Student Examination Committee, UST.
- Head of The Student Disciplinary Committee, UST, 2016-2019.
- Head of the Foreign Students Society, SUMS, 2004-2006.
