8. Lecturer in University of Science and Technology (UST) (2001- to-date)
9. Head of Quality Assurance and accreditation (2011 – 2016)
10. Member in the Academic pharmacy program development committee at the UST (2011 – to – date).
11. Participate in the Course Specification of courses Bachelor and Master of UST
12. Member of Academic Accreditation committee of UST (2011–to– date).
13. Head of Dept. of pharmaceuticals sciences (2006 – to-2008).

14. In Ministry of Health (Deputy Director Dutch project in family planning) from 1994-2000

Training and Workshops

1. Attended workshop for drafting and preparing national standards for the College of Pharmacy in Yemen– Sana'a, Yemen 2018
2. Attended training in writing references by Endnote program UST– Sana'a, Yemen 2017
3. Attended training using a statistical analysis of the program UST– Sana'a, Yemen 2017
4. Attended workshop Skills of Supervision in graduated studies UST– Sana'a, Yemen 2016
5. Attended workshop performance monitoring and quality assurance in higher education, Ministry of higher education, council for accreditation Sana'a, Yemen 2015
6. Attended a training research educational curricula UST– Sana'a, Yemen 2014
7. Attended a training in Problem-solving and decision-making to the theory UST– Sana'a, Yemen 2014
8. Attended a training in HINARI (Train the Trainers) workshop held at in national information center – Sana'a, Yemen 2014.
9. Attended a training in Modalities for effective Teaching (42 training hours) held at UST – Sana'a, Yemen 2014.
10. Attended a training in Rehabilitation Consultant Quality Management Systems (Train the Trainers, 25 training hours) held at UST – Sana'a, Yemen 2013.
11. Attended a training workshop in Cooperative Education held at UST – Sana'a, Yemen 2013.
12. Attended a training workshop in Alternative assessment methods held at UST – Sana'a, Yemen 2013.
13. Attended a training workshop in Student assessment held at UST – Sana'a, Yemen 2013.
14. Attended a training workshop in Problem Based Learning 'PBL' held at UST –

Sana'a, Yemen 2012.

15. Attended a training workshop in self Evaluation of the academic programs held at UST – Sana'a, Yemen 2012.
16. Attended a training workshop in Program Specification Document (PSD) held at UST – Sana'a, Yemen 2012.
17. Attended intensive courses in Curriculum development and evaluation (42 training hours) held at UST – Sana'a, Yemen 2012.
18. Attended intensive courses in technology of education and information (42 training hours) held at UST – Sana'a, Yemen 2012.
19. Attended a training workshop in Research Methodology held at University Science and technology (UST) –Yemen 2011.
20. Attended an intensive training course in Statistical Package of Social Sciences (SPSS) held at University of Science and Technology (UST) – Sana'a, Yemen 2011.
21. Attended a training workshop in Course Specification and Course Evaluation of the academic programs held at UST – Sana'a, Yemen 2006.

Computer

Proficiency

- Highly competent computer literate having a very good knowledge in software applications including the following areas:
 1. Computer Assisted Language Learning Programs.
 2. Statistical Package of Social Sciences (SPSS).
 3. Learning Management System (LMS).
 4. 50 word/minute accurate typing, Arabic & English.
 5. Internet Explorer,

Personal Skills

- Self-assessment for our university and others universities
- Professionally qualified Lecturer with more than ten years of experience, accomplished in all areas relating to teaching pharmacy practice.
- Interpersonal and communicative skills of making relationship.

Interests and Hobbies

- Traveling and reading books in general and ELT related books in particular.
- Surfing the web.
